

Father's Day

- D5** **Dsus** **D** **D2**
1. You gave me life when I was dying.
D5 **Dsus** **D** **D2**
You formed my days before I breathed.
C2 **G6** **Gm6** **D**
All the time spent searching for meaning I had squandered
G **D/F#** **Asus A**
Was answered when You showed me You're my Father.

- Bm** **G** **D** **A7**
C: You are the Word that came fulfilling every promise.
Bm **G** **D** **A**
You are the Song that fills all heaven with Your glory.
Bm **G** **A** **D/F#**
You are the One I love O Maker of my soul
G **Bm** **CM7 A**
You are my Lord, my holy Father.

2. You made me light when I was darkness
You sent Your Son to die for me.
He's a Friend so faithful, Jesus--strong and able
To fill a heart like mine so full of peace.
3. You Spirit leads me to Your presence
He takes my heart and makes it glow
What an awesome God You are, mighty King of kings,
Every day You reign is Father's Day!
