C: When I get to heaven
Bm
Every star I ever saw
C
Will be nothing to the brightness
A
of the Lord Who made them all.
G Asus7 Am7
When I get to heaven, when I get to heaven
C C(slide 3rd fr) G Asus7 Am7
Somewhere out there waiting, after all.

When I get to heaven
all of my troubles will be gone.
And in there place I'll find the words
to turn into a song
to sing before the One Who made us all. C:

When I get to heaven
the greatest family one could have
Who came by faith alive in love
for God and all He is
will worship Him with every heart as one. C:
