Who will be like Jesus, a heart that always cares? Who will be like Jesus?

There are brothers not yet ten, carrying rifles meant to kill

Little soldiers out there fighting, haven't got a clue!

Who will be their Jesus when they need Him?

Who will hold them close when they're afraid?

Who will give the love that makes compassion what it is?

Who will bring them out so they can live? C:

It's easy in a land of plenty to close our eyes to those without

Often those who have the money are so poor inside

The blessing is to those who freely offer

To make a better world for those deprived

Who will give the love that makes compassion what it is?

Who will hear His call and be a light? C:

What You did to my confusion is introduce the Truth. C1:

Let me tell You You're the One and Only and I'm grateful for Your word *All right!*
I want to follow You forever and worship You O Lord! C1:

Come on now give it up together for the One Who made us whole.
Feel the beat as you move your feet for the King Who saved Your soul! C2

Who Is This Man

G **C2**
Who is this man gentle and kind, walking on water, healing the blind
Am **Em** **F** **D** **D2 Dsus4**
Teaching the word like no scholar before they sit at His feet and flock to His door.

Who is this man crouched on the ground, writing in dust a message unknown?
Watching accusers lay down their stones forgiving the woman who stands there alone.

Intensity

Who is this man who claims to be light piercing the darkness smashing the night!
Calling His friend from the depths of the earth, who is this Lord of the second birth?

Time only knows what a fool I have been the signs were right there but so was my sin.
Who is this man that I should believe. Is He the truth, or am I deceived?

Who is this man whose teachings offend? Confronting the rabbis who only pretend
To nod at His words while plotting to kill the lamb they will lead to Calvary's hill.

Soft

Who is this man kneeling to pray? He talks to His Father in intimate ways.
All that He does He does for above, out of His blood flows infinite love.

Time only knows what a fool I have been the signs were right there but so was my sin.
Who is this man that I should believe. Is He the truth, or am I deceived?

CMJ7 **D/F#** **G**
C: Time only knows what a fool I have been
DM7 **C2** **Em** **Dsus2/A**
The signs were right there but so was my sin.
CMJ **D** **Em**
Is He the truth, or am I deceived?
FM9 **Em** **Am7** **D Dsus2 Dsus4 D** **G** **C2**
Who is this man that I should believe. {I should believe . . .}
